

How to Transfer Money at It'sMyCU:

Transferring money within your account at It'sMyCU:

- Transfer between your suffixes or to another member through the full online banking site or in the It'sMyCU Mobile Banking App.
- Contact a member service representative (MSR) by calling or texting (309)451-8400, emailing memberservices@itsmycu.org, or using our [Online Chat](#).
 - High Yield Savings Accounts can only be transferred out of by contacting an MSR.
- Internal Transfer
 - If you would like to set up a scheduled or reoccurring transfer within your It'sMyCU suffixes or loans, fill out the [Internal Transfer](#) form or set up in your online banking.

Transferring money between institutions:

- If you have a checking account with It'sMyCU, you can click on the Bill Pay tab to transfer funds:
 - Transfer funds between your It'sMyCU account and an outside institution (You must be the accountholder at both institutions) = A2A Transfers (Account to Account):
 - Transfer funds from your It'sMyCU account to another person with the other person's phone number or email = P2P Transfers (Person to Person):
 - You cannot request money this way
 - Mail a check: Add a recipient as a payee by including their name and address to have a check mailed.
- ACH Origination:
 - Set up 1x or reoccurring transfers between institutions
 - Can take up to 2 business days
 - Reoccurring must be set up on specific days
 - 1x outgoing = \$10 fee
- Wires:
 - Domestic (\$25 fee) or International (\$40 fee)
 - Domestic Wire Form: <https://form.jotform.com/isucu/domestic-wire-out>
 - International Wire Form: Must be completed in branch
